## Financial Aid Application 2023-2024

**Email completed application along with supporting information/documentation to:  
*gainesvillejuniorsvball@gmail.com***

Though our club fees are competitive in our region, we understand there are circumstances in which families may need assistance. Please understand that financial assistance awarded to players goes toward club fees only. The player's parent/guardian is responsible for all travel expenses including hotel, food, gas and other related travel expenses.

Financial assistance will not cover 100% of club fees. Any fees not covered by financial assistance must be paid according to the payment plan agreement. If these fees are not paid, future financial assistance applications will not be considered. \_\_\_\_\_

Accepting financial assistance from Gainesville Juniors requires that the parent/guardian participate in individual fundraising opportunities to offset a portion of the club fees. It also requires club volunteer service. The number of hours required is determined by the amount of assistance awarded. Failure to fulfill these obligations may result in financial assistance being withdrawn. \_\_\_\_\_

A financial application will not be considered if you have a child with an outstanding balance from a prior season. This includes balances unpaid from an incomplete season which your child quit prior to having fulfilled financial obligations to the club. \_\_\_\_\_

Both parties are bound by confidentiality regarding all financial information. Awarded aid should not be discussed with other parents/players. All information provided on this form will be kept confidential between parent/guardian and the Gainesville Juniors directors. \_\_\_\_\_

A parent/guardian should fill out page 2 of the application and provide an explanation of hardship (page 3). It is also required that the player write a brief essay (page 4). Please instruct the player to include the following in her essay:

- Tell us about herself
- Tell us what playing for Gainesville Juniors means to her
- Share with us any future aspirations she has in any aspect of her life
- Share with us any academic or athletic honors she may have received in the last three years
- Share with us anything she would like us to know

An application without a parent explanation of hardship and a player essay attached will not be considered.

**Terms of financial agreement:** I acknowledge and agree to above mentioned terms of financial assistance. I understand that receiving an award is not guaranteed. I agree to pay my portion of fees according to the payment schedule, actively participate in individual fundraising, perform the required number of club service hours, and keep all financial assistance information confidential.

Printed parent/guardian name: \_\_\_\_\_
