

“A challenge only becomes an obstacle when you bow to it.” – Ray Davis

Dear Business Owner:

Let me take this opportunity to introduce you to **Gainesville Juniors**. Established in 1996, the club was started in order to *create a volleyball environment that promotes excellent skill development, leadership and competitive teams*. Over the years these teams have experienced success regionally and nationally.

Throughout the year Gainesville Juniors serves upwards of 300 athletes ranging in age from 6-18 years old throughout our local community. Combined, these teams have learned new skills, formed lasting relationships, and brought home a remarkable amount of championships.

Our primary revenue source is registration fees paid by families. In order to keep true to our mission of keeping the club affordable, we are offering the opportunity to local businesses like yours to become Sponsors. Your contributions will be used by the individual athlete you sponsor to offset their costs. General sponsorships can be used to cover club expenses. In addition you will have the opportunity to reach our families and promote your business in a variety of ways.

Please take a moment to review and select the sponsorship package that best fits your business and budget. Please do not hesitate to contact me if you have any questions. Our staff can be reached via email at <visionvolleygainesville@gmail.com>. Thank you for your consideration.

Respectfully yours,

Stephanie Wyatt
